Participate in a CALM Training

- Missourians are more likely to die by suicide with a firearm than they are to be killed by someone else with a firearm.
- 6 out of 10 Missourians who die by suicide use a firearm.
- 82% of youth firearm suicide deaths used a firearm owned by a family member.
- CALM is anti-suicide, not anti-guns.
- It's FREE.

Conversations on **Access to Lethal Means** is a suicide prevention training developed specifically for firearms retailers, shooting ranges, firearm safety instructors, concealed carry instructors, gun owners or anyone who resides in a home with firearms. In just one hour you can learn how to keep your family and friends safer from dying in a suicide attempt.
